

ENF Script For Use With Minus 1 MP3

Film Focus Feature (:60)

ANNOUNCER: Robert Redford's new film, *LIONS FOR LAMBS*, takes place on three equally riveting fronts that weave together in this powerful political thriller. Academy Award-winner Redford co-stars with Academy-Award winner Meryl Streep and three-time nominee Tom Cruise.

ROTH/STREEP: What's the story?

IRVING/CRUISE: A new plan going into motion.

ANNOUNCER: Streep plays a reporter who will stop at nothing to discover the truth.

STREEP: I really admire people who get out and are brave on the front lines and give us the story. That's my character.

ANNOUNCER: Tom Cruise prepared extensively to play an influential and ambitious senator.

CRUISE: Some people were very open with me at very high levels so that I could understand this guy. I play this guy from the inside out.

ROTH/STREEP: You all must be panicked.

IRVING/CRUISE: We're determined.

ANNOUNCER: Redford was drawn to the idea of conflicting viewpoints driving the story forward.

REDFORD: Here's how, on a personal basis, these stories develop dramatically to a point where it comes right back to you. What would you do?

ANNOUNCER: *LIONS FOR LAMBS* opens in theaters on November 9. With Entertainment News Feed, I'm _____.
